

National Association of Conservation Districts

2022 CACD & NACD Hand Drawn Poster Contest

The CO State and National Conservation Poster Contest is open to K-12th grade students. Artwork entered into the national competition must have been judged in a local or area conservation district sponsored poster contest and a state/territory conservation association or state auxiliary sponsored contest.

To find who in your state/territory is in charge of the NACD poster contest, visit the [NACD Conservation District Directory](#) and contact your state/territory association of conservation districts.

The state/territory conservation association, auxiliary or state poster contest sponsor selects a poster to enter in each of grade division (K-1; 2-3; 4-6; 7-9; 10-12) and submits them to NACD by email. The state is not required to enter a poster for every grade level.

Contest Rules

- Traditional painted or drawn posters should be photographed or scanned and submitted as JPG or PDF. Photographs must be clear and well framed. **It is the local district/state association/auxiliary/agency's decision what size and what kind of poster (paper copy or photographed) they accept for your local or state contest.**
- Any media may be used, including paint, crayon, colored pencil, charcoal, stickers, paper, or other materials.
- All posters must be created by an individual student, rather than a team of students. Entry must be contestant's original creation and may not be traced from photographs or other artists' published works.
- The 2022 Stewardship theme **"Healthy Soil: Healthy Life"** must be included on the front side of each poster submission to be eligible for the national poster contest.
- Each entry for the national contest must be submitted to NACD with an **entry form** to be eligible for judging. The form must be completed and signed by a parent or guardian.
- Although younger students will most likely receive help in planning from parents or teachers, NACD encourages each student to do their own work. Note: Entries with student handwriting and coloring will score better than those designed, drawn, and colored by adult assistance.
- **Only official state poster contest sponsors** can submit entries for the national contest. Entries must be postmarked by December 1, 2022, and emailed to stewardship@nacdnet.org.

National Poster Contest entries are reviewed based on the following criteria:

The winning posters will be featured at NACD's Annual Meeting. Each state conservation association, auxiliary or agency contact will receive notification of the judging results and a news release announcing the winners.
